

At last Sunday's Balboa Car Show, <https://www.visitnewportbeach.com/events/balboa-car-show/>, I met Television Host Heather Storm, ([Info@heatherstorm.com](mailto:Info@heatherstorm.com)) who will be returning there September 22 with a film crew to interview drivers and their cars. I posted info about it on our facebook SoCalMets group. We agreed that my Aug/Sept newsletter would be too late to announce the event but I told her you could probably put a little announcement about it on the web page. Here is a video of her at SEMA: <https://www.youtube.com/watch?v=EvD2d5E1FuE>.

Thanks,  
Ken
